REQUEST FOR CLARIFICATION

S/No.	Request for clarification / Question	Response
1	<p>Since our bid shall be partly in foreign currency, in which we expect to incur expenses with regard to construction equipment, we request that an item for equipment be included in the foreign currency table.</p> <p>The Employer has applied a fixed weighting to foreign labour/ lubricants in the foreign currency table. We request a suitable range be applied to allow bidders flexibility in determining appropriate weightings.</p>	<p>The considered index description within the table of adjustment are as indicated in the bid document.</p> <p>The complexity of works is moderate. Accordingly, as per ITB 14.5, use the Bidder's proposed weighting as described in the document.</p>
2	<p>Foreign contractors must obtain NCA certificates under a set of conditions.</p> <p>First, foreign contractors must obtain NCA certificates for their ongoing projects.</p> <p>Secondly, foreign contractors can only apply NCA certificate for new projects awarded.</p> <p>Thirdly, foreign contractors can only apply NCA certificate according to the new projects they have and not as a company itself.</p>	<p>Foreign contractors should note that they are required to seek registration with the National Construction Authority after issuance of an award letter and before signing the contract and should only undertake construction works or projects with a value limit of category NCA 1</p>
3	<p>Request you to share with us the Bill of quantity in excel format</p>	<p>You shall submit the BoQ in PDF format or prepare an excel format in a clearly labelled Flash Disk.</p>
4	<p>In First floor item 7.1.1 mentioned post tension beams and item 7.1.27 Other floors not mentioned in concrete works. Post tensioning is only for the 1st Floor??</p>	<p>Post tension use, is as indicated in the Bid document.</p>
5	<p>Personnel - are we limited to the personnel only registered by Boards recognized in Kenya or can we provide personnel who are registered in other countries?</p>	<p>Positions/ specialization should be held by personnel registered under relevant recognized Boards in Kenya.</p>
6	<p>On the experience of personnel how is the number of years calculate from. Is it from the year of graduation or from the year of registration?</p>	<p>Experience calculated from year of graduation.</p>

7	On ITB 34.3, it is not clear on what qualifications the specialized subcontractors are required to have. Kindly provide.	Subcontractors proposed by the Bidder shall be fully qualified for their parts of the Works. The qualifications of the Specialized Subcontractors proposed by the Bidder shall be added to the qualifications of the Bidder.
8	Are we required to provide any brochures as supporting documents for the technical specifications/bills of quantities? if yes, kindly provide the technical schedules for us to fill.	Information on the technical, specifications are well addressed in VOLUME 3 OF 4: SPECIFICATIONS (Specifications, Preambles And Pricing Notes). Where required to provide brochures as supporting documents for the technical specifications/bills of quantities are indicated. You are encouraged to add brochure as supporting documents for the technical specifications/bills of quantities.
9	Please allow an extension of another two weeks (from 1 st of December) of the deadline for bid submission.	Bid submission is 1 st of December 2022 as per Bid document.

**REGARDS,
