

ADDENDUM NO. 2

DATES 9th MAY 2024

FOR TENDER; KE-MOMBEMA-005-2024-GO-RFB; MMBE&MA/SDBE&F/27/2023-2024
SUPPLY AND DELIVERY OF PATROL / RESCUE BOATS

Comments/Questions	Response
<p>Tender is asking for boats with 2-stroke engines.</p> <p>1. Kindly note that two stroke technology is obsolete for no friendly and has been replaced with four stroke engines advanced, environment friendly, efficient, and economical.</p>	<p>The World Bank Approved a Two Strokes Engine and due to running cost the Idea of 4 strokes will not be applicable so the original Engine specs rains</p>
<p>2. Closing date to be extended for sometimes to allow for the few clarifications to be implemented</p>	<p>The Closing Date is hereby extended and the New Bid Submission Date is; 21st May 2024</p>
<p>3. What is immersion protection?</p>	<p>It is basically an Immersion suit that aids with buoyancy on water.</p> <p>This will Not be required</p>
